MANAGEMENT INFORMATION CIRCULAR
As at October 27, 2015

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR (“CIRCULAR”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF WABI EXPLORATION INC. (the “**Company**”) of proxies to be used at the annual meeting of shareholders of the Company to be held on Friday, December 11, 2015 at 365 Bay Street, Suite 400, Toronto, Ontario M5H 2V1 at the hour of 9:00 a.m. (Eastern time), and at any adjournment or postponement thereof (the “**Meeting**”) for the purposes set out in the enclosed notice of meeting (the “**Notice**”). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 -*Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Company’s proxy solicitation materials (the “**Meeting Materials**”) to the beneficial owners of the common shares of the Company (the “**Common Shares**”) held of record by such parties. The Company may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Company. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Company in favour of the matters set forth in the Notice.

The Company has decided to use the notice and access model (“**Notice and Access**”) provided under NI 54-101 for the delivery of the Meeting Materials and related materials to shareholders for the Meeting. Under Notice and Access, instead of receiving printed copies of the Meeting Materials, shareholders receive a notice with information on the date, location and purpose of the Meeting, as well as information on how they may access the Meeting Materials electronically.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers or directors of The Company. **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO** either by inserting such person’s name in the blank space provided in the accompanying form of proxy or by completing another proper form of proxy and, in either case, delivering the completed proxy to the Company’s registrar and transfer agent Capital Transfer Agency Inc. (the “**Transfer Agent**”), at its offices located at 121 Richmond Street West, Suite 401, Toronto, Ontario M5H 2K1 by mail or by fax at (416) 350-5008 so it is received on or before 10:00 a.m. (Eastern time) on Wednesday, December 9, 2015 or, if the meeting is adjourned, not later than 48 hours, excluding Saturdays and holidays, preceding the time of such adjourned meeting. **Each shareholder is entitled to appoint a person to represent such shareholder at the Meeting, who need not be one of the persons named in the accompanying form of proxy.**

A proxy must be signed in writing or, subject to the means of electronic signature permitting a reliable determination that the document was created or communicated by or on behalf of the shareholder or the attorney, as the case may be, by electronic signature by the shareholder or an attorney who is authorized by a document that is signed in writing or by electronic signature or, if the shareholder is a body corporate, by an officer or attorney of the body corporate duly authorized.

In addition to any other manner permitted by law, a shareholder may revoke a proxy before it is exercised by depositing an instrument in writing signed by the shareholder or by the shareholder's attorney authorized in writing at the registered office of the Company at any time up to and including the last business day preceding the date of the Meeting or any adjournment or postponement thereof at which the proxy is to be used, or with the chair of the Meeting on the day of the Meeting or any adjournment or postponement thereof, or any other manner permitted by law.

A registered shareholder, or a non-objecting beneficial owner (“**NOBO**”) whose name has been provided to the Transfer Agent, will appear on a list of shareholders prepared by the Transfer Agent for the purposes of the Meeting. A registered shareholder or NOBO attending the Meeting has the right to vote in person and if he or she does so, his or her proxy is nullified with respect to the matters such person votes upon and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment or postponement thereof.

EXERCISE OF DISCRETION BY PROXIES

Proxies received in favour of management will be voted and, where a choice is specified, will be voted in accordance with the choice so specified in the proxy. **WHERE NO CHOICE IS SPECIFIED, THE PROXY WILL CONFER DISCRETIONARY AUTHORITY AND WILL BE VOTED FOR THE ITEMS OF BUSINESS AS SET OUT IN THE NOTICE AND AS STATED ELSEWHERE IN THIS CIRCULAR.**

The enclosed form of proxy also confers discretionary authority upon the persons named therein with respect to any amendments or variations to the matter identified in the accompanying Notice, and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his or her judgement may determine. **HOWEVER, IF OTHER MATTERS WHICH ARE NOT PRESENTLY KNOWN TO THE MANAGEMENT SHOULD PROPERLY COME BEFORE THE MEETING, THE ACCOMPANYING PROXY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGEMENT OF THE PERSON OR PERSONS VOTING THE PROXY.** As of the date of this Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the accompanying Notice.

NOTICE-AND-ACCESS

The Company has decided to use the Notice-and-Access method of delivery of the Meeting Materials for registered shareholders and beneficial owners of Common Shares (a “**Non-Registered Holder**”). The Notice-and-Access method of delivery of Meeting Materials allows the Company to deliver the Meeting Materials over the internet in accordance with the Notice-and-Access rules adopted by the Ontario Securities Commission under NI 54-101.

Registered Shareholders will receive a form of proxy and Non-Registered Shareholders will receive a voting instruction form, enabling them to vote at the Meeting. However, instead of a paper copy of the Meeting Materials, generally shareholders receive only this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting. Materials can be viewed online under the Company’s profile at www.sedar.com or at www.wabiexploration.com. The Company will not be adopting stratification procedures in relation to the use of Notice-and-Access provisions.

Shareholders may always request paper copies of the Meeting materials be sent to them by postal delivery at no cost to them. Requests may be made up to one year from the date the Meeting Materials are posted on the Company’s website. In order to receive a paper copy of the Meeting Materials or if you have questions concerning Notice-and-Access, please call the Transfer Agent at **(416) 350-5007**. Requests should be received by November 25, 2015 in order to receive the Meeting Materials in advance of the Meeting date.

VOTING BY NON-REGISTERED SHAREHOLDERS

Only registered shareholders of the Company, NOBOs or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a Non-Registered Holder are registered either: (i) in the name of an intermediary (an “**Intermediary**”) with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“**CDS**”)) of which the Intermediary is a participant. Non-Registered Holders do not appear on the list of the shareholders of the Company maintained by the Transfer Agent. In accordance with the requirements of NI 54-101 the Company will have distributed copies of the Meeting Materials to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. Intermediaries are required to forward the meeting materials to Non-Registered Holders. Non-Registered Holders, other than NOBOs, will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

A. Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the voting instruction form must be completed, signed and returned in accordance with the directions on the form. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the Non-Registered Holder must complete, sign and return the voting instruction form in accordance with the directions provided and a form of proxy giving the right to attend and vote will be forwarded to the Non-Registered Holder.

Or,

B. *Form of Proxy*. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete the form of proxy and deposit it with the Transfer Agent, as described above. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the holder's behalf), the Non-Registered Holder must strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided.

NON-OBJECTING BENEFICIAL OWNERS

These Meeting Materials are being sent to both registered shareholders and Non-Registered Holders of Common Shares. If you are a Non-Registered Holder, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding the common shares on your behalf) has assumed responsibility for (i) delivering these Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the voting instructions form or form of proxy delivered to you.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Company consists of an unlimited number of Common Shares without par value. As of October 27, 2015 (the "**Record Date**"), there were a total of 19,494,613 Common Shares issued and outstanding. Each Common Share outstanding on the Record Date carries the right to one vote at the Meeting.

Only registered Shareholders of Common Shares as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Shareholder and proxy holder will have one vote and, on a poll, every Shareholder present in person or represented by proxy will have one vote for each Common Share held.

None of the directors have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

3. APPOINTMENT OF AUDITORS

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF WASSERMAN RAMSAY, CHARTERED ACCOUNTANTS, AS AUDITORS OF THE COMPANY TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. Wasserman Ramsay, Chartered Accountants, were first appointed as the Company's auditors on July 17, 2014.

EXECUTIVE COMPENSATION

Under applicable securities legislation, the Company is required to disclose certain financial and other information relating to the compensation of its Chief Executive Officer, Chief Financial Officer and all of the other most highly compensated executive officers of the Company who meet the applicable disclosure threshold (collectively, the "**Named Executive Officers**"). A summary of salary and other annual compensation earned by the Named Executive Officers for the most recently completed financial year, the year ended April 30, 2015, and, the year ended April 30, 2014 is set out in the "Summary Compensation Table". Other than the Chief Executive Officer and Chief Financial Officer, there are no other executive officers, or individuals acting in similar capacity of the Company that would otherwise qualify for inclusion in the discussions below.

Principles of Executive Compensation

The Company believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Company as a whole. The primary components of the Company's executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Company's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Company and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Company's long term value; and
5. connect, if possible, the Company's employees into principles 1 through 4.

Compensation Discussion and Analysis

The Board is responsible for the Company's compensation policies and practices. The Board has the responsibility to review and make recommendations to the directors concerning the compensation of the directors and the Named Executive Officers, including the Chief Executive Officer, within the constraints of the agreement described under "Employment Contracts and Termination and Change of Control Benefits". The Board also has the responsibility to make recommendations concerning annual bonuses

and grants to eligible persons under the Stock Option Plan. The Board also reviews and approves the hiring of executive officers.

As of the date of this Circular, the Board had not, collectively, considered the implications of any risks associated with policies and practices regarding compensation of its directors or executive officers.

The Company does not prohibit its Named Executive Officers or directors from purchasing financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officers or directors.

Base Salary

The Board approves the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officers is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Company's peer group is also accumulated from a number of external sources including independent consultants. The Company's policy for determining salary for executive officers is consistent with the administration of salaries for all other employees.

Annual Incentives

The Company is not currently awarding any annual incentives by way of cash bonuses. However, the Company, in its discretion, may award such incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Company that arise on a day to day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Company currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Company's Stock Option Plan. The purpose of the Stock Option Plan is to, among other things, encourage Common Share ownership in the Company by directors, officers, employees and consultants of the Company and its affiliates and other designated persons. Options may be granted under the Stock Option Plan only to directors, officers, employees and consultants of the Company and its subsidiaries and other designated persons as designated from time to time by the Board. The number of Common Shares which may be reserved for issuance under the Stock Option Plan is limited to 1,949,461 Common Shares. Any shares subject to an option which, for any reason, is cancelled or terminated prior to exercise will be available for a subsequent grant under the Stock Option Plan. The option price of any common shares cannot be less than the market price of the Common Shares. Options granted under the Stock Option Plan may be exercised during a period not exceeding five years, subject to earlier termination upon the termination of the optionee's employment, upon the optionee ceasing to be an employee, officer, director or consultant of the Company or any of its subsidiaries or ceasing to have a designated relationship with the Company, as applicable, or upon the optionee retiring, becoming permanently disabled or dying. The options are non-transferable. The Stock Option Plan contains provisions for adjustment in the number of shares issuable thereunder in the event of a subdivision, consolidation, reclassification or change of the common shares, a merger or other relevant changes in the Company's capitalization. Subject to Shareholder approval in certain circumstances, the Board may from time to time amend or revise the terms of the Stock Option Plan or may terminate the Stock Option Plan at any time. The Stock Option Plan does not contain any provision for financial assistance by the Company in respect of options granted under the Stock Option Plan.

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110 regarding

***De Minimis* Non-audit Services or on a Regulatory Order Generally**

Since the commencement of the Company's most recently completed financial year, the Company has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of MI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the

auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year’s audit); or

2. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Charter.

Audit Fees

The following table provides details in respect of audit, audit related, tax and other fees billed by the external auditor of the Company for professional services rendered to the Company during the fiscal years ended April 30, 2015 and April 30, 2014:

Year ended April 30, 2015	5,100	Nil	Nil	Nil

Audit Fees – aggregate fees billed for professional services rendered by the auditor for the audit of the Company’s annual financial statements as well as services provided in connection with statutory and regulatory filings.

Audit-Related Fees – aggregate fees billed for professional services rendered by the auditor and were comprised primarily of audit procedures performed related to the review of quarterly financial statements and related documents.

All Other Fees – aggregate fees billed for professional services which included accounting advice and advice related to relocating employees.

REPORT ON GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (the “**Governance Guidelines**”) of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. The following disclosure is required by the Governance Guidelines and describes the Company’s approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented to address the foregoing requirements.

Board of Directors

The Board is currently composed of four (4) directors. Form 58-101F1 suggests that the Board of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under Multilateral Instrument 52-110 (“MI 52-110”), which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. Of the proposed nominees, James Brady, President and Chief Executive Officer is an “inside” or management director and accordingly is considered not “independent”. The remaining three (3) proposed directors are considered by the Board to be “independent”, within the meaning of MI 52-110. In assessing Form 58-101F1 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors.

Directorships

The following table sets forth the directors of the Company who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuer
Andrew McQuire	Richmond Minerals Inc.
Galen McNamara	Hornby Bay Mineral Exploration Ltd.
James Brady	Hornby Bay Mineral Exploration Ltd.

Orientation and Continuing Education

The Board does not have a formal orientation or education program for its members. The Board’s continuing education is typically derived from correspondence with the Company’s legal counsel to remain up to date with developments in relevant corporate and securities law matters. Additionally, historically board members have been nominated who are familiar with the Company and the nature of its business.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct, but does promote ethical business conduct through the nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having at least two of its Board members independent of corporate matters.

Nomination of Directors

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board of directors are reviewed by the entire Board.

Other Board Committees

The Board has established an Audit Committee.

Assessments

Currently the Board has not implemented a formal process for assessing directors.

OTHER MATTERS

The management of the Company knows of no other matters to come before the Meeting other than as set forth in the Notice. However, if other matters which are not known to management should properly come before the Meeting, the accompanying instrument of proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the proxy.
